

MASQUERADING IN MEN'S CLOTHES

Young Girl Arrested by Police Saturday Night

ABOUT FIFTEEN YEARS OF AGE

A young girl was arrested Saturday night by Policeman Craig and Ashby in an ill fitting suit of men's clothes. She at first gave her name as Mabel Wilson but later before Judge Orr she gave her name as Mable Simmon and said she was the wife of her Companion, Hugh Simmon and she was traveling in mens clothing owing to the scarcity of funds, and they were trying to hobo their way south.

The two will be in Madisonville for several days for investigation as it is believed they are wanted in some points in Indiana.

Teams at Work in Madisonville to Raise Funds for Y. M. C. A.

Campaign started Monday at Madisonville to raise sufficient funds to open the doors of the Y. M. C. A. Sunday representatives of the State Committee spoke in the pulpits of the city in the interest of the Y. M. C. A. The State staff are giving their time and assistance without charge to the local committee and with this excellent assistance the public spirited citizens of Madisonville feel that they must raise the amount asked for. Plans have been made for team work, consisting of 8 teams and the sum to be raised is so small, and with the earnest workers on the list it is believed that success will be theirs.

MOTHER! IS CHILD'S STOMACH SOUR, SICK?

If cross, feverish, constipated, give "California Syrup of Figs."

Don't scold your fretful, peevish child. See if tongue is coated; this is a sure sign its little stomach, liver and bowels are clogged with sour waste.

When listless, pale, feverish, full of cold, breath bad, throat sore, doesn't eat, sleep or act naturally, has stomach ache, indigestion, diarrhoea, give a teaspoonful of "California Syrup of Figs," and in a few hours all the foul waste, the sour bile and fermenting food passes out of the bowels and you have a well and playful child again. Children love this harmless "fruit laxative," and mothers can rest easy after giving it, because it never fails to make their little "insides" clean and sweet.

Keep it handy, Mother! A little given today saves a sick child tomorrow, but get the genuine. Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which has directions for babies, children of all ages and for grown-ups plainly on the bottle. Remember there are counterfeits sold here, so surely look and see that yours is made by the "California Fig Syrup Co." Hand back with contempt any other fig syrup.

Auction Whist Club

The members of the Auction Whist Club met at Mrs. Kline's on last Friday afternoon and reorganized. There was a fine attendance and two visitors. Mrs. W. P. Ross and Miss Carrie Orenshaw were also present. Mrs. Geo. Atkinson made the best score. Light refreshments were served by the hostess.

Your Fall Cold Needs Attention. No use to fuss and try to wear it out. It will wear you out instead. Take Dr. King's New Discovery, relief follows quickly. It checks your Cough and Soothes your Throat away. Pleasant, Antiseptic and Healing. Children like it. Get a 50c bottle of Dr. King's New Discovery and keep it in the house. "Our family Cough and Cold Doctor" writes Lewis Chamberlain's, Manchester Ohio. Monday back it not satisfied but it nearly always helps.

St. Margaret's Guild

The ladies of the Guild met with Mrs. O. B. Johnson on last Monday afternoon and reorganized for their winter work. Most of the members were present.

Sound Sence from Missouri

If Washington is in any doubt as to the desperate necessity for giving the railroads an earning capacity which will enable them to finance improvements, make their securities attractive by a substantial return for the capital invested, and check the threatened flood of European liquidation, it should read what the newspapers outside of New York are saying. Here is something from Missouri:

"The railway officials tell us that the roads are not in position to handle our traffic. The business of the country is outgrowing them and they cannot get capital to finance them.

"What that means is very simple. Three years ago a St. Louis man had \$130 to invest. He put it into two shares of railroad stock at \$65. This stock was paying 4 per cent. This gave him \$8, which was more than 6 per cent. But a year ago the stock stopped paying any dividends. He has \$130 in bank to-day. But he will not put it into railroad stock. If the \$8 a year were still coming in regularly he would buy two more shares of that same stock.

"Multiply that by millions and you have the whole financial difficulties of the railroads. Why did those dividends stop? Two floods, two droughts, rising prices for railway supplies, new wage agreements and the installation of expensive safety equipment tell the tale. As a matter of fact, rates were not high enough to stand the ordinary risks of the transportation business—storm, drought and business change.

"The problem of railroad finance is just the problem of the man with the \$130.

"We Missourians ought to listen to the case for the railroads, whether anybody else does or not. This imperial state needs a vast additional mileage in order to develop its resources. In Missouri there is one mile of railroad to every 15.5 square miles of land. In Kansas there is one mile to every nine square miles of land. In Iowa there is one mile of railroad to every 5.6 square miles of land. In Illinois there is one mile for every 4.7 square miles of land.

"Area for area, Kansas has five miles of railroad to our three, Iowa nearly three to our one, and Illinois nearly four to our one. The biggest problem in the development of Missouri is the problem of making it pay the Missouri citizen with the \$130 to put it into a Missouri railroad."

This is from the St. Louis, Mo., "Republic." It happens to be better written than other comments of the kind. But the whole country is trying to say the same thing. Transportation is our largest single industry, and it is not merely subject to hampering legislation of every kind. It is the victim of delay of that nature which is the denial of justice.

This man from Missouri no longer needs to be shown. It is not merely Wall Street that asks reasonable treatment for the railroads. The whole country is clamoring for it; and the politician who fails to realize the public will is signing his own death warrant.—Wall Street Journal.

"NO ILLITERACY" SUNDAY

The war is on against illiteracy in Kentucky. The public school teachers and the press are destroying this, the Commonwealth's most vigorous foe. Men and women of other professions are becoming interested and are giving hearty support to the movement.

The Kentucky Illiteracy Commission earnestly requests that all ministers of the gospels in this State will set apart Sunday, Oct. 25, as a day to preach to the people of their respective congregations on the evils and disadvantages of illiteracy, and to urge each and every one to join in the movement by encouraging the establishment of moonlight schools and by influencing adults, and especially illiterate persons, to attend.

Kentucky has 2,808,484—nearly a quarter of a million persons who cannot read their Bibles. Surely every minister can see in this a serious handicap to religious work in our State. The Bible overflows with texts on the acquirement of knowledge and the necessity of instructions, and a sermon on the importance of stamping out illiteracy would be one of popular interest and would, undoubtedly, be far reaching in its effect.

We appeal to the ministers of Kentucky, one and all, to observe this day with a sermon to enlighten and inspire the people of their congregations to get actively at work to rid their communities of illiteracy, and to make of Kentucky a place where no illiteracy is to be found.

Any minister desiring leaflet to information will please write
KENTUCKY ILLITERACY COMMISSION,
Mrs. Cora Wilson Stewart, President
Frankfort, Kentucky.

IF MEALS HIT BACK AND STOMACH SOURS

"Pape's Diapiesin" ends stomach misery Indigestion in 5 Minutes

If what you just ate is souring on your stomach or lies like a lump of lead, refusing to digest, or you belch gas and eructate sour, undigested food, or have a feeling of dizziness, heartburn, fullness, nausea, bad taste in mouth and stomach headache, you can get blessed relief in five minutes.

Ask your pharmacist to show you the formula, plainly printed on these fifty cent cases of Pape's Diapiesin, then you will understand why dyspeptic troubles of all kinds must go, and why they relieve sour, out-of-order stomachs or indigestion in five minutes. "Pape's Diapiesin" is harmless; tastes like candy, though each dose will digest and prepare for assimilation into the blood all the food you eat; besides, it makes you go to the table with a healthy appetite; but, what will please you most, is that you will feel that your stomach and intestines are clean and fresh, and you will not need to resort to laxatives or liver pills for biliousness or constipation.

This city will have many "Pape's Diapiesin" cranks, as some people will call them, but you will be enthusiastic about this splendid stomach preparation, too, if you ever take it for indigestion, gases, heartburn, sourness, dyspepsia, or any stomach misery.

Get some now, this minute, and rid yourself of stomach trouble and indigestion in 5 minutes.

John W. Davenport, Earlington, Ky., says: "I suffered from kidney trouble more than tongue can tell. My back was so sore and lame that I could not work for days at a time and the kidney secretions were scanty. A constant pain in my head almost blinded me. I became dizzy, dark spots floated before my eyes and I would reel like a drunken man. Nothing did me any good until a fellow-workman told me he had used Doan's Kidney Pills with success. I got a supply at the St. Bernard Mining Co. Incorporated, and it was only a few weeks before they remove the trouble."

and to my surprise, I got better, and am to-day as well as any man." Thedford's Black-Draught is a general, cathartic, vegetable liver medicine, that has been regulating irregularities of the liver, stomach and bowels, for over 70 years. Get a package today. Insist on the genuine—Thedford's. E-70

IN STERLING LIVES A GIRL

Who Suffered As Many Girls Do—Tells How She Found Relief.

Sterling, Conn.—"I am a girl of 22 years and I used to faint away every month and was very weak. I was also bothered a lot with female weakness. I read your little book 'Wisdom for Women,' and I saw how others had been helped by Lydia E. Pinkham's Vegetable Compound, and decided to try it, and it has made me feel

like a new girl and I am now relieved of all these troubles. I hope all young girls will get relief as I have. I never felt better in my life."—Miss BERTHA A. PELOQUIN, Box 116, Sterling, Conn.

Massena, N. Y.—"I have taken Lydia E. Pinkham's Vegetable Compound and I highly recommend it. If anyone wants to write to me I will gladly tell her about my case. I was certainly in a bad condition as my blood was all turning to water. I had pimples on my face and a bad color, and for five years I had been troubled with suppression. The doctors called it 'Anemia and Exhaustion,' and said I was all run down, but Lydia E. Pinkham's Vegetable Compound brought me out all right."—Miss LAVISA MYERS, Box 74, Massena, N. Y.

Young Girls, Heed This Advice.

Girls who are troubled with painful or irregular periods, headache, dragging-down sensations, fainting spells or indigestion, should immediately seek restoration to health by taking Lydia E. Pinkham's Vegetable Compound.

MASTER YOURSELF.

Aim to master yourself and your passions. The hardest and most lasting part of the battle of life is the fight that must be waged against self. Self is always the traitor in the camp—always attacking in flank, always stabbing from behind. Not until self is fought to a finish can there be true victory or peace.

Cures Old Sores, Other Remedies Won't Cure. The worst cases, no matter how long standing, are cured by the wonderful, old reliable Dr. Porter's Antiseptic Healing Oil. It relieves Pain and Heals at the same time. 25c, 50c, \$1.00
